She said she'd meet me in the bar at the Plaza Hotel, wear a jacket and a tie

G A Bm Edim  
What's the occasion she just smiled and she wouldn't say why

F# G A Bm G A D  
Mmm, so here I am standing, waiting in the lobby sweating bullets in this stupid old suit

G A Bm G A  
And when she sees me she bursts out laughing you're a sad sight honey but you look so cute and

D A D A  
I don't want to be alone anymore, I was checking you out, I was just making sure (oooh)

D A D A  
No I don't want to be alone anymore and I want you tonight, although you hurt me before (oooh)

F# Bm G D Edim  
It didn't matter that I felt like a fool 'cause I forgot when she walked through the door

F# Bm G D A D  
I said I'm sorry, but she said it was cool, and I don't want to be alone anymore

D / A G / Bm A D / A G / Bm A D / A G / Bm A D / A G A

G A Bm G A D  
Mmm, it's so confusing choosing sides in the heat of the moment just to see if it's real

G A Bm Edim  
Ooh it's so erotic having you tell me how it should feel

F# G A Bm  
But I'm avoiding all the hard cold facts that I've got to face

G A D  
So ask me just one question when this magic night is through

G A Bm G A  
Could it have been just anyone or did it have to be you, and will you still be saying

D A D A  
I don't want to be alone anymore, I was checking you out, I was just making sure (oooh)

D A D A  
No I don't want to be alone anymore and I want you tonight, although you hurt me before (oooh)
