G         A
Man's got his woman - to take his seed
Am         G

A
She spends her life through - pleasing up her man

She feeds him dinner or - anything she can
F          C          G
She cries alone at night too often

He smokes and drinks and don't come home at all

G         A
Man makes your hair grey -- He's your life's mistake
Am         G
All you're really lookin' for - is an even break
G         A
He lies right at you -- You know you hate this game
Am         G
He slaps you once in a while and you live and love in pain
F          C          G
She cries alone at night too often
Bm          Bbm          Am
He smokes and drinks and don't come home at all
