Piano Man - Billy Joel

Its nine oclock on a saturday - the regular crowd shuffles in
Theres an old man sitting next to me - making love to his tonic and gin

He says son can you play me a memory - I'm not really sure how it goes
But its sad and its sweet and I knew it complete - when I wore a younger mans clothes

Sing us a song your the piano man - sing us a song tonight
Well were all in the mood for a melody - and you've got us feeling all right

Now John at the bar hes a freind of mine - he gets me my drinks for free
And he's quick with a joke or to light up your smoke but theres some place -
- that he'd rather be

He says Bill I believe this is killing me - as the smile ran away from his face
Well im sure that I could be a movie star - if I could get out of this place
