Well just a minute now

[Am] G F
You're standin' on, solid rock -- *Standin' on, sacred ground*
Am G
Livin' on borrowed time, and the winds of change
F Am

[Am] /// //// G /// Am /// //// //// G /// Am ///
Right down the line

[Am] G F
Well round about the dawn of time -- The Dreaming all began

A proud people came -- Well they were lookin' for their promised land
D F Am
Runnin' from the heart of darkness -- Searchin' for the heart of light
[Am] /// //// G /// Am /// //// //// G /// Am ///
It was their paradise

[Am] G F
Well they were standin' on, solid rock, standin' on sacred ground

Livin' on borrowed time, and the winds of change
